The luxury ergonomic design coupled with up to 670 horsepower, both offered in standard and wide-frame versions. The New Holland T9 series tractors place your hands on the reins of power and maximum versatility. Climb into the most spacious and comfortable cabin on the market: the award-winning SideWinder™ II armrest, ergonomic CommandGrip™ lever and optional Comfort Ride™ cabin suspension to make work easier and more productive. Why settle for just any big tractor, go for a special one - the New Holland T9.

Models: T9.450 - 298 kW, T9.505 - 336 kW, T9.560 - 373 kW, T9.615 - 399 kW, T9.670 - 447 kW
