EXPERTS FOR THE REAL WORLD
SINCE 1842

TEST *THE BEST*

**MORE THAN 50 MODELS
OF THE CASE EQUIPMENT
ARE AVAILABLE FOR YOU TO USE!**

You can take pride in the name on your CASE machine. It represents more than a century of productivity and performance. Our rich, proud history spans more than 170 years, and we continue to make history and build our legacy around the world today. At CASE we anticipate and satisfy our customers' needs by relentlessly seeking new and innovative solutions and continuously raising the bar on performance and cost efficiency.

THE FULL CASE EXPERIENCE

***EXPERIENCE THE POWER
AND QUALITY OF OUR MACHINES.***

Situated thirty minutes from Roissy CDG airport, the CASE Customer Centre Paris is the place to be for all clients who wish to have the full CASE experience or to finalise the purchase decision. The CASE Customer Centre Paris offers the unique opportunity to test and to find the machine that is best suited to your activity.

CASE *SERVICES*

**YOU WILL DISCOVER THE CASE
EQUIPMENT LINE IN A SPECIFIC
WORKING ENVIRONMENT.**

At the CASE Customer Centre Paris, our team of specialists will be ready to answer any queries you may have and give you all the support you may need.

To make the best choice, you will be able to test drive our machines and experience their power, productivity, and comfort in real working conditions.
