# KEEP YOUR HERITAGE MACHINE IN TOP CONDITION

## CASE EXPERT SUPPORT AT YOUR SERVICE

Decades of shared passion, tens of thousands of hours worked in hundreds of jobsites: your heritage machine has performed for you year after year, and you want it to remain in top condition. Your CASE dealer is the answer: we have the best expertise that comes from our long history with our big heritage brands.

# WHY COME TO CASE FOR SUPPORT?

## PEACE OF MIND FROM THE BEST EXPERTS FOR YOU

CASE dealers and certified workshops have the best expertise to maintain and repair your heritage machine. They are the right partner to support you with original parts and from the oldest to the latest models. They are the best consultant to advise you about the best solution for your operation. With our widespread network, there is always a CASE dealer or certified workshop near you.

## FAST AND EFFICIENT PARTS SERVICE WITH GENUINE PARTS

6 depots in Europe, 250,000 parts numbers permanently in stock, over 10 million items dispatched every year, 1 million parts numbers managed by our system.
