## MARCH 2022

### Last Chance: Enter to Win CASE Kickstart

Landscaping business consultation + free use of a CASE CTL and attachment for six months = the best way to kick your landscaping business into high gear for the busy season.

### CASE LIVE: Best Features, Options and Considerations for Backhoes

Backhoes are the ultimate in versatility. From trenching to loading, lifting to attachments – backhoes allow you to do so many things with a single machine. We will look at all of the ways you can outfit a backhoe for optimal success – including best options, attachments and more!

### CASE LIVE: Proper Love & Care of Your Undercarriage

Watch the recording of our most recent CASE LIVE for a comprehensive discussion on undercarriage operation and maintenance tips – whether you're running dozers, excavators or compact equipment.

### We're Hitting the Road with Jon Pardi

It Ain't Always the Cowboy but it's always a good time when we hit the road with Jon Pardi as the official sponsor of his summer tour. Will you join us? Check out the schedule and come see us in a town near you!

### TechTalk: TV620B Auto Ride Control

We're all about load retention and a smooth ride – Auto Ride Control comes standard on the new CASE TV620B compact track loader. Always on or set to kick in at a pre-set speed, the TV620B helps you keep it together and keep it smooth.

### CTL Season is Here

Equipment demand is high as we head into the busy season – talk to your local CASE dealer today to make sure you're equipped with the CTLs you need to stay ahead of your schedules and workload.

## Find CASE Equipment

At CASE, practical innovation matters. Our equipment is an evolution of fine-tuned products built to solve your challenges through more intuitive design.
