L = Litre

FEATURES

ADVANCED TELEMATICS

- Precise monitoring of operation & performance
- Geofencing
- Live Tracking
- Engine parameter alerts
- Fleet control and management
- Theft alert

SKY WATCH™

ANTIVORTEX FAN™

- Excellent Cleaning-Minimal trash
- Reduced load-Less operating RPM of the fan @1400RPM
- Less Vibration of Extractor hood-More Life
- Fuel saving & more extractor blade life

SMART COOLING FAN

- Automatic Reversing Function
- Improves air flow in the engine box
- Better cooling - Enhanced engine life
- No need of frequent manual cleaning of engine box, pump box door and bird cage - More operating hours

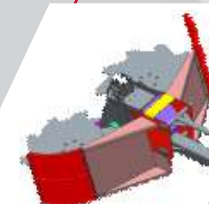

SMART EYE CAMERA

- Clear rear view and fast screen switching system between rear left & right view
- Improved operator visibility
- Improved safety
- Reduced losses

DISC-O-GATHER TOPPER

- The Disc-O-Gather Topper equipped with two additional gathering discs ensures maximum severing of Tops thereby leading to considerable reduction in extraneous matter.
- The extended guard helps in throwing the tops away from Infielder-Operator thereby ensuring operator safety.
