RENT TO BUY

RENT TO BUY

Designed for those who are looking for an immediate solution to machinery needs, *Rent to Buy* gives you the opportunity to get familiar with the machinery before making the final decision to purchase.

By establishing a rental agreement up to six months, you can get machinery in the paddock quick to maximise your return on the season.

Benefits

- Get familiar with the machine in your own surroundings before making a commitment to purchase.
- You do not need to wait the six months. You can purchase the machine outright during the rental period.
- The farming season can change quickly; *Rent to Buy* enables you to increase your capacity in a short space of time.

Features

1

Take advantage of a machinery rental period up to six months.

Know your costs upfront, as the rental agreement is based on a standard hourly rate.

2

3

A short-term rental which can assist in maximising the return on the upcoming harvest.
