

New Holland Tractors. **Blue Power Exclusive Edition.**

# Blue Power. Exclusive Edition.

Welcome to the world of premium agriculture. Here performance and comfort are of supreme importance. Add to these attributes exclusive styling and you'll find New Holland's most luxurious tractor range ever. Ultimate comfort, cutting edge technology and eye catching design. Welcome to the world of Blue Power. A tractor range that stands out in the field both for its looks and for its use of industry leading technology to deliver the exclusive performance that you've come to expect.

The Blue Power range has presence. The refined metallic midnight blue paint finish, reminiscent of a luxury performance car, sets it apart from other tractors. The chrome coloured front grilles and exhaust shield add a business class touch. The iconic New Holland leaf and model identification have been produced in a unique silver design to further enrich this premium machine. Exclusive silver wheels and trademark New Holland cat eye lights glint in the sun for ultimate head turning styling. **Blue Power. A tractor style icon.**

## Premium farming comfort.

Prepare yourself for a whole new concept in farming comfort. Imagine the quietest most luxurious office and you might just come close. An office where long days ease by thanks to the lowest noise level and the comfort of a soft grey leather seat. Grasp the full-leather steering wheel, adjust the climate control and experience truly precise and refined operation. And finally your workplace is decked with a deep pile carpet. Blue Power. Redefining tractor comfort.

## Productive technology.

The premium Blue Power models feature New Holland's most advanced and productive technology. Their Auto Command™ transmissions enable infinite speed variation: set the precise forward or reverse speed you require, then sit back, relax and let your Blue Power take care of the rest. All transmission controls fall perfectly to hand on the ideally located CommandGrip™ multifunction handle. The renowned SideWinder™ II armrest is the benchmark in tractor control, and all key functions are intuitively and ergonomically managed. IntelliSteer™ fully integrated autoguidance is available, and delivers pass-to-pass and year-on-year accuracy as high as +/- 1-2 centimetres. The result: hands free farming, leaving you to concentrate on boosting your productivity. Blue Power. Unsurpassed tractor productivity.

# True blue by tradition.

At New Holland we have an illustrious heritage in designing and manufacturing tractors which satisfy the requirements of customers across the globe. Only New Holland makes the majority of the principal components in-house. The engines, axles and transmissions are all New Holland designed and built. Produced at the state-of-the-art Tractor Plants, using World Class Manufacturing techniques, your Blue Power is sure to exceed your expectations.
