SERVICE PLUS
LONG LASTING CONFIDENCE

Additional cover, additional care

Service Plus provides owners of New Holland agricultural machinery the opportunity to extend cover for up to 5 years.

Tailored to your business

Service Plus is available for the whole range of New Holland machinery: tractors, combine harvesters, forage harvesters, balers, and telehandlers.

Designed to give you long lasting confidence

Service Plus offers you additional cover that is ideally suited to your needs, safeguarding your investment and providing you with maximum control over operating costs.

Designed with owners of New Holland equipment in mind, Service Plus offers you:

Peace of mind

Long-term cover up to 5 years

Professional support

High-quality support provided by the professional New Holland network

Efficiency

Efficient management of unforeseen occurrences

Specialization

The program is managed by a specialist technical support centre, working in conjunction with your local dealer

And more flexibility

You may take out a Service Plus contract at the time of purchase or within a period of nine months from the start of the manufacturer's warranty.

You can choose from:

- Three levels of coverage: Silver, Gold, Platinum
 - The number of years of the cover: two, three, four or five years
 - The number of hours of use per year
(or depending on the number of bales for balers)
 - The amount of excess with several options available
-

The all-inclusive advantage

Why take out a Service Plus policy?

- To safeguard the whole value of your investment
 - To have complete control over the operating costs of your New Holland agricultural machinery
 - To get enhanced value for your agricultural machinery thus improving resale opportunities
 - To be granted the transfer of the Service Plus insurance policy to the new owner in the event of resale
 - To work with complete and long lasting peace of mind
-

Service Plus and your New Holland dealer always work together

Your approved New Holland dealer is a specialist close to you, who will, at your request, carry out required servicing and repairs.

Throughout the whole period of validity of the Service Plus policy, New Holland machinery must be serviced in accordance with the manufacturer's recommendations, using parts and lubricants supplied by New Holland and/or those that meet the manufacturer's specification.

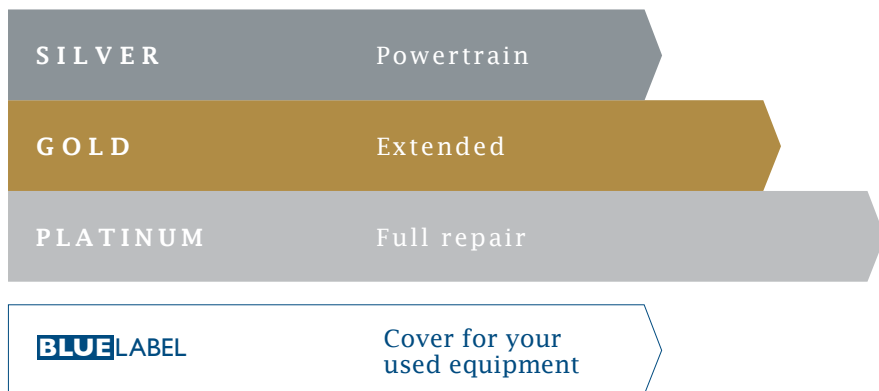

By choosing Service Plus for support you can rely on and access the best services available. Offering a full range of services, competitive and flexible schemes along with customised solutions.

*Service Plus is more
than just a name
you can trust,
but a partner supporting
your business needs*

Three levels of cover for your precious metal

With Service Plus, you can select one of the following levels of cover, according to your needs:

MAINTENANCE OBLIGATIONS

In order to benefit from the cover, the equipment and any attachment must be serviced during the entire period of the cover in accordance with the manufacturer's recommendations, at the cost and diligence of the Beneficiary. The maintenance of the equipment or any attachment must be carried out by a professional registered in the trade register as an agricultural machinery repairer. The validity of the cover depends on respecting the manufacturer's maintenance schedule. It is recommended to carry out the maintenance of the covered equipment by an approved New Holland dealer with New Holland genuine parts. In the event of a claim, the Beneficiary must prove that the maintenance operations have been carried out by presenting the maintenance records of the covered equipment. At the simple request of the provider and under penalty of forfeiture, the Beneficiary of the covered equipment shall also provide the jobcards or any proof of technical work carried out, as well as all invoices related to these maintenance operations.

In any case, please refer to the General Terms and Conditions of the contract.
