

# T8 Genesis with PLM Intelligence

T8.350 | T8.380 | T8.410 | T8.435

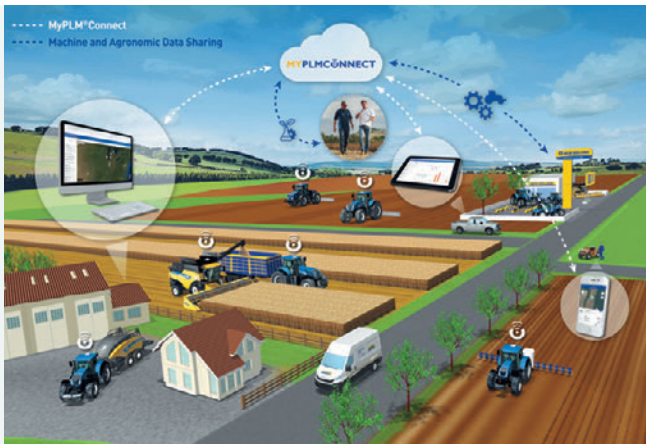

# T8 Genesis™ with PLM Intelligence™. Connected for the way you work.

---

New Holland built the new T8 Genesis™ with PLM Intelligence™ around the input of operators like you. From a reimagined cab designed to offer the most comfortable and convenient driver experience, to next-generation intuitive controls that can be easily customized to the tasks at hand, every detail has been carefully engineered to meet your needs.

### MyPLM®Connect free for 1 year

Providing real time field data at your fingertips. Enabling accurate data management to improve operating efficiency. This all now comes as standard across the entire T8 Genesis range, with MyPLM®Connect with File transfer.

### Choose a lighting package to suit you

There are three cab lighting packages available, consisting of 14, 18 and 24 LED cab lights in various configurations, to suit your individual requirements.

### SmartTrax™ rear rubber tracks

A solution to increase traction, reduce compaction, and extend your operating window.

### Intelligent agriculture

The all new SideWinder™ Ultra armrest and IntelliView™ 12 monitor deliver a whole host of machine controls at your fingertips. With automotive styling and modern intuitive design making for even easier and simple operation.
