# BRAWLER SOLID FLEX

... the Indestructibles™

1

**one and only OEM tested and approved** one piece solid rubber tire and wheel that ensures OEM warranty protection.

2

**to save time & money** by eliminating flat tires, the headaches, expenses and downtime caused by them.

3

**three times the life** of pneumatic and pneumatic foam-filled tires. 3 times the tread depth, and a minimum of 3 times the hours and wear.

Tread wear is an average based on reported Solid Flex customer feedback. Conditions of terrain vary between customers.

4

**for all makes and models**

of skid steers, including Bobcat, Case, Caterpillar, Gehl, John Deere, Mustang and New Holland.

5

**five year warranty**

against defects in workmanship and material for the original useable tread depth, limited to 60 months from the date of purchase.
